

	<p><b>Body Parts</b></p> <p>Make sure that each player has a ball.</p> <p>The players should be dribbling around and then the coach will shout a body part and they have to stop the ball and then place that body part on the ball.</p> <p>Play for 10 mins (drink)</p>
	<p><b>Coach Dribble Back</b></p> <p>The coach collects all the soccer balls and has the players gather around them.</p> <p>Then coach starts throwing the balls out telling the players which part of the foot they have to dribble back with.</p> <p>Make it crazy as well!!!</p> <p>Play for 5mins drink and play again</p>
	<p><b>Dribble back race</b></p> <p>Split the groups into 3 and set all of the balls at one end of the area.</p> <p>Each team sends one player at a time to grab a ball and dribble back. High five next player in line.</p> <p>Have the parents on the side screaming for their teams!!! Change the part of the foot they have to use. Play multiple games</p> <p>Play for 10-15 mins</p>
	<p><b>Sharks and Minnows</b></p> <p>Play once with out balls and then add the soccer balls.</p> <p>Tag in the first game, kick the ball out when balls added. Focus on change of direction with the ball</p> <p>Play for 10-15 mins</p>
